Dear Mr. Wagner:

The Natural Health Products Directorate (NHPD) thanks you for your Amendment Application dated June 6, 2013. This letter will serve as confirmation that the information required as per Section 11(2) of the *Natural Health Product Regulations (NHPR)* was provided in the Amendment package. An initial assessment has been completed to ensure that relevant information supporting the safety, efficacy, and/or quality of the product has been provided. The adequacy of the information submitted to the NHPD has not been fully evaluated at this time and will be determined during a complete assessment of the application. Further information may be requested by the NHPD in the form of an Information Request Notice (IRN).

Please note that an amendment must be approved by NHPD before the licensee can sell any lot or batch of the natural health product affected by the change. If approved, the product licence information will be amended and the licence will be re-issued, as necessary.

Should you have any questions concerning this notice, please contact the Submission Coordinator at the coordinates indicated at the bottom of this notice. Please note that the File Number and Submission Number must be quoted on all correspondence regarding this submission.

Yours truly,

Marina Kraychik
